

BREAST CANCER SCREENING
PROGRAMME SPONSORED BY:

THE LIONS CLUB OF TROPICAL GARDENS
IN PARTNERSHIP WITH
**CI Health Services Authority, CTMH Doctors Hospital,
MedLab Inc and OceanMed**

INSTRUCTIONS TO CLIENTS

- Make your appointment before Friday, November 26, 2021 and identify that you have a Lions Club of Tropical Gardens Voucher.
- Take the voucher with you on the day of your appointment.
- Take any previous mammograms with you to your appointment.
- Pre-menopausal clients: schedule your appointment between days 10 – 20 of your menstrual cycle.
- Wear a two-piece garment with a top that removes easily.
- **DO NOT** use any deodorant, powder, lotions or other preparations on your skin on the day of your appointment.
- Request an appointment when compression of the breast will cause least discomfort.
- Tell the Radiographer if you are experiencing pain.
- Mammogram and follow-up procedures must be carried out at the same location with the exception of MedLab who will refer to either HSA or CTMH Doctors Hospital
- Reports will be sent to your named doctor within 3 weeks, please consult your doctor.
For any assistance, patients of the Cayman Islands Hospital may contact Nurse Joy Merren at 244- 2630, patients of MedLab may contact Mrs. Carolyn Perkins at 949-7331, patients of CTMH Doctors Hospital may contact 914-6439 and patients of OceanMed may contact 946-2326

**You may have your mammograms done at the Cayman Islands Hospital 244-2881/244-2880, MedLab 949-7331 /
CTMH Doctors Hospital 914-6439 or OceanMed 946 2326**

Doctors Hospital

The Public Health Department has oversight of the Breast Cancer Awareness Programme.
