

5 June, 2026

Dear Island Montessori Families,

We have some truly exciting news to share: Island Montessori has officially joined Inspired Education Group, the leading global group of premium schools operating over 125 schools across 30 countries. Islands Primary has also joined Inspired, which represents a significant milestone for both schools and for Cayman's educational landscape, and we believe it is wonderful news for your family.

Since opening our doors in June 2017, we have been guided by a simple but powerful belief: that every child carries within them an extraordinary potential, and that our role is to nurture it with care, respect, and intention. Inspired chose Island Montessori because they recognised that our values, identity and standards are what make our school exceptional. The values you believed in when you enrolled your child, the community you helped build, and the standards you held us to are precisely what attracted a world-class organisation to our doors.

There will be no changes to our leadership team or staff. Our priority remains providing your children with an outstanding holistic educational experience in the same nurturing, community-focused environment you know and value. What will change is the breadth of opportunity available to your children and our staff, through access to best-in-class educational practices from around the world.

Looking ahead into the 2027 school year and beyond, we will be working with Inspired to more formally connect Island Montessori with Island Primary. This transition will take a little time, and we know many families will want to understand what this means for their children's move from preschool to primary. The Inspired team will be working to provide more information over the coming months, and we are also attaching a letter from Inspired's Founder, Chairman and CEO, Nadim M. Nsouli, to formally introduce the group to you.

On a personal note, this marks my own transition into a well-earned retirement, and I could not be more excited about what lies ahead for this community.

We invite all families to an **information evening on Tuesday, June 9th at 6pm** to meet the Inspired team and learn more. Further details to follow

With deepest gratitude and excitement for the road ahead,

Jenn Cowdroy

Director
